FIBERGLASS TANK CO.

FARM & RANCH TANKS

**Stock Tanks • Livestock & Drinking Water Storage
Feed & Fertilizer Tanks • Wildlife Waterers**

**DELIVERED & SET UP
AT YOUR FARM OR RANCH!**

Large Capacity Storage Tanks

Fiberglass Tanks are the ideal solution for many agricultural storage needs. Because they are lightweight, corrosion resistant and virtually maintenance free, W&W Fiberglass Tanks are preferred by farmers and ranchers for use as stock tanks, fertilizer tanks, potable water storage tanks and feed storage tanks.

Cattle Water Potable Water Liquid Feed Liquid Fertilizer

- Heavy duty fiberglass construction
- Will not rust or corrode
- Life span in Excess of 20 Years
- Virtually maintenance free
- Will outlast and outperform Steel Tanks
- Large selection of plumbing fittings available - fully customized for your application.
- FDA approved ISO liners available for potable water or chemical storage
- External anti-algae gel coat, pigment & coatings available
- Easily repaired and custom configured

Common Storage Tank Sizes and Capacities

Diameter	Height	Gallons
4'	6'	630
4'	20'	1,890
6'	6s'	1,250
6'	10'	2,110
8'	5'	1,880
8'	15'	5,650
8'	20'	7,520
10'	5'	2,935
10'	10"	5,875
10'	15'	8,820
12'	5'	4,200
12'	7'6"	6,300
12'	10'	8,400
12'	15'	12,600
12'	20'	16,900
12'	25'	21,000
15'6"	8'	11,250
15'6"	10'	14,000
15'6"	12'	17,000
15'6"	16'	22,500
15'6"	24'	33,500
15'6"	30'	42,000

Additional sizes available upon request. Tanks can be built any height with 4', 6', 8', 10', 12' and 15'6" diameters to fit your storage capacity needs.

Wildlife Escape Ramps

Our fiberglass Wildlife Escape Ramps meet NRCS specifications for watering facilities and open storage tanks. A non-skid surface and 45° sides and tight fit ensures that small birds or mammals can safely exit your stock tanks. Built of the same fiberglass as our stock tanks, they won't float or interfere with livestock access. Attach to tank lip with self-tapping screw and washer.

Call 1-800-882-2776 for pricing and specifications.

Wildlife Water Guzzler

Our Wildlife Water Guzzler collects rainwater and provides a gradual, non-skid ramp for access by small animals and birds.

- 4' x 2" tank (approx. 200 gallons) collects rainwater or can be manually filled.
- Satisfies Conservation Reserve Program (CRP) water requirements, and cost share eligibility.
- Installed at ground level for easy access for small game without becoming trapped and contaminating water supply.
- Durable, Non-corrosive fiberglass will never rust.
- Closed tank top prevents debris from collecting in tank.

Tank Delivery & Setup

Whether your location is across town or across the country, W&W can deliver your tanks quickly, dependably and economically. Our fleet of crane-equipped semi's and pickups are capable of hauling single or multiple stock or storage tanks anywhere in the US and Canada.

Call 1-800-882-2776 for a delivery quote.
